

The parties have reached substantial agreement on settlement of the above opposition proceeding. Opposer's counsel, however, has recently noticed what he believes to be a minor stenographic error in the proposed settlement agreement and is endeavoring to correct the same and proceed with the process of execution of the written agreement by the parties. The additional time requested herein is thus necessary to provide for an orderly circulation and execution of the agreement by the parties. Opposer's counsel, however, has been unable to timely reach Applicant's counsel to seek her consent to the foregoing motion.

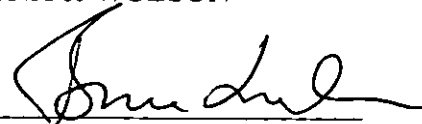

In view of the foregoing, it is respectfully submitted that the foregoing request for an Order extending the testimony periods should be granted.

Dated: January 28, 2004

Respectfully submitted,
