Opposition No. 91124255

PARKDALE PHARMACEUTICALS,
INC.

v.

AMERICAN CYANAMID COMPANY
AND BASF AGROC HEMICAL
PRODUCTS B.V., JOINED AS
PARTY DEFENDANT

On June 4, 2004, the parties filed applicant's proposed amendment to its application Serial No. 75/933,512, and a joint stipulated to dismiss of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to amend the mark **from** "ADRENALIN" **to** "ADRENALYN."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in the parties' dismissal having now been met, the opposition is dismissed.¹

***By the Trademark Trial
and Appeal Board***

¹ In view thereof, applicant's consented motion to extend, filed May 28, 2004, is moot.
