INTUIT, INC.

v.

INTERLINK ELECTRONICS, INC.

Clara Vela, Paralegal Specialist

On July 29, 2003, the Board consolidated opposition Nos. 91124742 and 91124758.

On January 30, 2006, the Board resumed proceedings for the consolidated oppositions; however, the caption of this order only referenced the parent case (opposition No. 91124742) and omitted the child proceeding (opposition No. 91124758). This was an inadvertent omission.

Accordingly, the Board's January 30, 2006 order is amended to the extent that it applies to both of the consolidated proceedings.
