

The period for Discovery to close:	January 14, 2003
Testimony period for party in position of plaintiff to close (opening thirty days prior thereto):	February 13, 2003
Testimony period for party in position of defendant to close (opening thirty days prior thereto):	April 13, 2002
Rebuttal testimony period to close (opening fifteen days prior thereto):	May 28, 2003

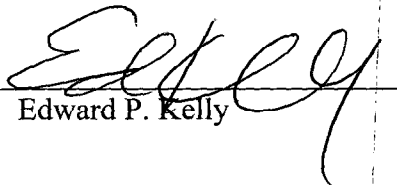

The reason for the foregoing request is that the parties have reached a tentative settlement which would provide for a post publication amendment to applicant's identification of goods and need the extended time to finalize a settlement agreement regarding the referenced opposition proceeding. The undersigned has submitted a proposal to counsel for Applicant which is currently under consideration and is likely to lead to a settlement. The parties need the extended time to finalize settlement.

Counsel for Opposer, David Carrithers, Esq. has consented to the foregoing stipulation during a telephone conversation on November 14, 2002.

Favorable consideration of the above is respectfully solicited.

Respectfully submitted,
