Applicant hereby gives Notice that it will rely upon this document. The document is relevant in this action to demonstrate (a) that the conditions under which and to whom sales are made are such that it is unlikely that there would be confusion between Applicant's mark and Opposer's mark; (b) the number and nature of similar marks in use on similar goods; (c) that there are no instances of actual confusion; (d) the length of time of concurrent use without confusion; (e) that California's "SC" mark is weak and California does not have the right to exclude others from use of the letters "SC"; and (f) the extent of potential confusion.
