Re: 76/087,872; ANGELIC HEALTHCARE

Dear Ms. Dubois:

As you know, the subject trademark application has an Opposition pending at the Trademark Trial and Appeal Board.

Please be advised that ANGELIC HEALTHCARE has reached an agreement with the Opposer, ANGELICA, whereby the opposition will be withdrawn conditioned on ANGELIC HEALTHCARE withdrawing its application for a mark in class 35.

Accordingly, ANGELIC HEALTHCARE hereby amends its trademark application to delete Class 35 and its services, including, but not limited to, providing staffing for healthcare providers such as hospitals, nursing homes and assisted living facilities from the identification of services.

The application for a trademark in Class 42 remains active.

Please acknowledge receipt of this communication and confirm that Class 35 has been deleted from the application. Upon receipt of confirmation, the opposition of ANGELICA will be withdrawn and prosecution can move forward for the trademark in Class 42.

Thank you for your consideration.

Very truly yours,

Henry I. Schanzer
