REQUEST FOR RESUMPTION OF OPPOSITION

Dear Sir:

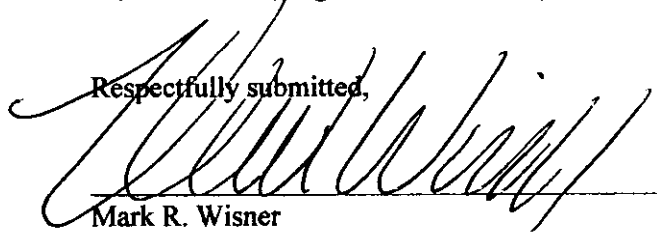

Opposer in the captioned opposition proceeding, Schlumberger Technology Corporation, by and through its attorneys, hereby requests that the captioned opposition be resumed. The Board's June 18, 2003 Order suspended this opposition proceeding for forty-five (45) days to allow the parties time to discuss settlement and then, if the parties were unable to settle, set a 15 day period for the filing of a petition for declaration of an interference. The deadline for petitioning for declaration of an interference, therefore, was August 17, 2003.

However, after Applicant suggested a settlement proposal on July 31, 2003, the parties agreed to extend the deadlines set in the June 18, 2003 Order so as to be able to continue their efforts to settle, and filed a Stipulated Request for Extension on August 26, 2003. The Board approved that August 26, 2003 Stipulated Request, extending the deadline for filing the petition for an interference until October 17, 2003. The parties have since stipulated to a second Request for Extension of Time, which was filed with a certificate of mailing on October 17, 2003, and although the Board does not appear to have acted to date on the parties' Second Stipulated Request, Opposer is expecting that November 17, 2003 is the deadline for filing a petition for declaration of an interference if no settlement has been reached.

The parties have, unfortunately, been unable to reach a settlement. However, rather than filing a petition for declaration of an interference, Opposer hereby requests that the Board

resume proceedings in the captioned opposition in both Classes 9 and 42. The Board is therefore requested to re-set the dates set out in its March 19, 2002 scheduling order so that the parties can proceed with this opposition.

Respectfully submitted,
