RESPONSE TO MOTION FOR ENLARGEMENT OF TIME

On June 14, 2005, Applicant filed a Motion for Enlargement of Time, seeking to extend the discovery and testimony periods by one month. Although Opposer does not oppose this Motion, Opposer wants to point out what appears to be an inaccurate statement in Applicant's Motion. Namely, Applicant indicates that the Board did not set any time for Applicant to Answer the Notice of Opposition in the Board's November 29, 2004 Notice of Suspension. This is not correct. The Board's November 29, 2004 Notice of Suspension allowed Applicant 30 days from the time the suspension ended to answer the Notice of Opposition. Since Applicant's answer would have been due on June 29, 2005, Opposer does not object to granting Applicant a one-month extension to July 29, 2005 to file an answer.
