FIN.ING. S.R.L.

v.

Janet Shalom

Albert Zervas, Interlocutory Attorney

On January 8, 2003, the Board denied without prejudice applicant's attorney's motion to withdraw as counsel of record in this case, suspended proceedings and allowed applicant's attorney time to submit a motion which complies with Trademark Rule 2.19(b) and Patent and Trademark Rule 10.40.

The Board has not received another motion to withdraw from applicant's attorney. Thus, proceedings are resumed but only to the extent that applicant's time to file and serve a response to opposer's motion to compel (filed January 2, 2003) is reset to **thirty days** from the mailing date of this order. If applicant files and serves a response, opposer is allowed until **fifteen days** from the date of service (twenty days if service is by first class mail, "Express Mail," or overnight
