**MOTION TO EXTEND CLOSE
OF OPPOSER'S TESTIMONY PERIOD**

Opposer VTECH HOLDINGS LIMITED ("VTECH") moves the Trademark Trial and Appeal Board ("the Board") to extend the close of Opposer's testimony period, which is currently set to close on August 5, 2003.

Opposer and Applicant are continuing to work towards resolving this matter amicably, without need of further Board involvement and/or assistance. Opposer and Applicant are believed to have reached an agreement in principle with regard to settlement of this case, which in part requires amendment to the identification of goods in the application.

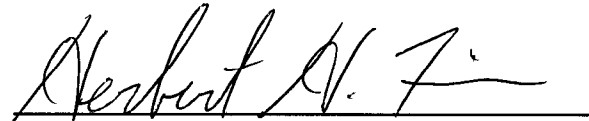

In order to permit the parties to continue to address the issue of settlement and amend the goods of the application, Opposer VTech requests a further sixty (60) day extension of its testimony period – in order to preserve Opposer's rights in the unlikely event that the application cannot be amended and this matter cannot be resolved amicably between the parties.

Accordingly, Opposer respectfully moves the Board to extend the close of its testimony period so as to close sixty (60) days from the Board's grant of the present Motion, and to reset the subsequent testimony periods accordingly.

Respectfully submitted,
