Opposition No. 91152412

POINT THERAPEUTICS, INC

v.

POINT BIOMEDICAL CORPORATION

Shirley Hassan, Paralegal Specialist

Because the parties have filed several requests to extend time, proceedings herein are suspended sua sponte to conserve both the resources of the Board and those of the parties, until six months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party within the next six months, the Board will issue an order resuming proceedings and resetting the time for applicant to file an answer or other response to the notice of opposition including resetting discovery and trial dates.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
