EXTENSION OF TIME TO FILE ANSWER WITH CONSENT

Applicant, through its undersigned counsel, hereby requests a sixty (60) day Extension of Time until March 26, 2003 to File an Answer or otherwise respond to the Notice of Opposition filed herein.

Additional time is needed so that the parties can explore a possible settlement which would avoid the need for these opposition proceedings. The parties have commenced negotiations. Applicant needs additional time to consider opposer's comments on its proposed use of the mark.

Opposer's attorney, Margo Lynn Hablutzel, has been contacted and has agreed to the requested extension of time. This extension is not for the purpose of delay.

Respectfully submitted,
