This letter is a report on the status of the above captioned matter, which was recently removed from suspension. The matter was placed on suspension while the parties explored settlement options. Negotiations continued during the suspension period and the parties have now, within the last two weeks, reached a tentative settlement of the within matter.

At present an initial Settlement Agreement has been drafted by Sun's Counsel and is being reviewed by Sun. Upon approval by Sun, counsel will send the agreement to counsel for Netraspect, who will review it and send it to Netraspect for review. It is anticipated that the agreement may go through several drafts, but that this matter should be concluded in a full and complete settlement of the within matter.

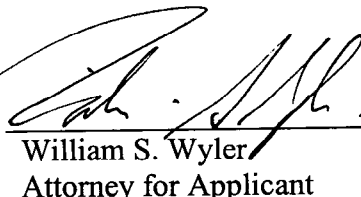

If you have any questions, you can contact either counsel.

Respectfully submitted,

Date: 1/14/2004
