STIPULATED REQUEST TO EXTEND TIME
IN WHICH TO ANSWER OR OTHERWISE PLEAD

Now comes Applicant and requests approval of the Board for an extension of time in which to answer or otherwise plead. Applicant requests an extended answer date of December 12, 2002. Opposer has been asked for its agreement to the requested Extension of Time to Answer or Otherwise Plead by telephone conference with Opposer's Counsel, but has not, as of this date, either agreed or objected. With the filing date approaching, it was necessary to proceed without waiting further.

The within extension is requested to permit Applicant and Opposer to continue discussions, which could potentially result in a settlement of the within opposition, and further to permit Applicant additional time for investigation and preparation of its answer to Opposer's Opposition. This request is not made for the purpose of delay and will not prejudice either party.

Respectfully submitted,
