ANSWER

For its Answer to the Notice of Opposition, Applicant, Avocent Corporation, states the following:

1. Answering the allegations of Paragraph 1 of the Notice of Opposition, Applicant admits that Opposer is involved in the manufacture and sale of computer equipment and peripherals, some of which are competitive with Applicant's goods. Applicant is without knowledge or information sufficient to form a belief as to when said involvement commenced and accordingly denies that allegation. Except as thus stated, Applicant denies the allegations of Paragraph 1 of the Notice of Opposition. Applicant specifically denies that Opposer has a right to use the term KVM OVER IP.

2. Answering the allegations of Paragraph 2 of the Notice of Opposition, Applicant admits that if a registration of the mark KVM OVER IP issues to Applicant, it will be *prima facie* evidence of Applicant's exclusive right to use that mark. Except as thus admitted, Applicant denies the remaining allegations of Paragraph 2 of the Notice of Opposition. Applicant specifically denies that Opposer has a right to use the term KVM OVER IP.

3. Applicant denies the allegations of Paragraph 3 of the Notice of Opposition.
