Angela Lykos, Interlocutory Attorney

On March 30, 2004, opposers filed, with an allegation of applicant's consent, a motion to consolidate the above referenced opposition proceedings and to reset all trial dates, including the time to answer.

In view thereof, and inasmuch as the parties are the same and the proceedings involve common questions of law or fact, the Board has ordered the consolidation of Opposition Nos. 91154937, 91154954 and 91159098. When cases involving common questions of law or facts are pending before the Board, the Board may order the consolidation of the cases. See Fed. R. Civ. P. 42(a) and TBMP § 511 and authorities

**Opposition No. 91154937, 91154954, and 91159098**

cited therein. The consolidated cases may be presented on the same record and briefs. See *Helene Curtis Industries Inc. v. Suave Shoe Corp.*, 13 USPQ2d 1618 (TTAB 1989) and *Hilson Research Inc. v. Society for Human Resource Management*, 26 USPQ2d 1423(TTAB 1993).

The Board file will be maintained in Opposition No. 91154937 as the "parent" case. As a general rule, only a single copy of any paper or motion should be filed herein; but that copy should bear both proceeding numbers in its caption. Exceptions to the general rule involve stipulated extensions of the discovery and trial dates, see Trademark Rule 2.121(d), and briefs on the case, see Trademark Rule 2.128. The answer for each proceeding should be filed as a submission only for that particular case.

Despite being consolidated, each proceeding retains its separate character. The decision on the consolidated cases shall take into account any differences in the issues raised by the respective pleadings; a copy of the decision shall be placed in each proceeding filed.

Trial dates, including the time to file an answer in each proceeding, are reset in accordance with opposers' consented motion.
