Stichting Lodestar

Cheryl Goodman, Interlocutory Attorney:

Applicant's consented motion filed September 8, 2003 to extend discovery and trial dates is granted. Trademark Rule 2.127(a).

The discovery and trial dates are reset in accordance with applicant's motion.

The Board also notes that opposer filed copies of its discovery responses with the Board without any accompanying motion. Opposer is advised that discovery responses are only filed with the Board in one of the following circumstances: with a motion relating to discovery (e.g., motion to compel), in support or in response to a motion for summary judgment, under a notice of reliance during one's testimony period, as exhibits to a testimony deposition. TBMP Section 409. Therefore, these responses will be given no consideration.
