STIPULATED MOTION TO EXTEND TIME TO ANSWER NOTICE OF OPPOSITION

The parties, by their attorneys, hereby stipulate and agree that an extension of 30 days to respond to the Notice of Opposition. The attorney for the Applicant received an e-mail allowing the filing of the within Stipulated Motion without corresponding signature. The Applicant has proposed a settlement to the Opposer. As such, the extension of time will allow the parties to discuss settlement, thus perhaps avoiding the necessity of litigating the opposition.

The Notice of Opposition was served on March 14, 2003. However an extension of time to answer was filed on April 21, 2003 to allow Applicant until May 21, 2003 to answer. Accordingly, this motion is timely.

This extension of time is not requested merely for the purposes of delay.

Dated: May 20, 2003

Respectfully submitted,
