v.

Go Daddy Software, Inc.

David Mermelstein, Administrative Trademark Judge:

In an order issued March 12, 2007, the Board noted that the U.S. Court of Appeals for the Seventh Circuit had dismissed Mr. Stoller's appeal of the *Pure Fishing* judgment, denied reconsideration, and issued its mandate.

Mr. Stoller has informed the Board that he has filed a further petition for rehearing or rehearing *en banc*.¹ The Board's order is modified to note Mr. Stoller's assertion.

The case remains suspended until the telephone conference scheduled for April 3, 2007.

¹ Neither the petition nor any withdrawal of the mandate are reflected on the Court's PACER database as of this date.
