MOTION WITH CONSENT TO SUSPEND

Opposer, with the consent of the applicant, respectfully moves that this proceeding be suspended for a period of three (3) months to allow the parties to continue their settlement discussions. The parties have each served written discovery requests, and applicant has responded to these requests. While applicant's earlier settlement proposal was rejected by opposer, applicant recently approached opposer and offered to submit a new proposal, which applicant plans to submit by mid-February. The parties seek the requested period of suspension to allow these settlement discussions to continue without incurring additional litigation expenses. Counsel for applicant, Jonathan Hyman, has consented to this motion.
