v.

Ivy Silberstein

Frances S. Wolfson, Interlocutory Attorney:

Because the parties are actively engaged in negotiations for a possible settlement of this case, opposer's consented motion to continue to suspend the proceeding (filed April 20, 2009) is hereby granted.

Proceedings herein are suspended until 30 days from the mailing date of this action, subject to the right of either party to request resumption at any time prior thereto. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next 30 days, the Board will issue an order modifying the basis for the suspension so that proceedings will remain suspended pending disposition of the motion for summary judgment.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
