CONSENTED MOTION FOR FOR EXTENSION OF TRIAL DATES

Applicant and Opposer jointly request that the trial dates set for this proceeding be extended by three months. This extension is needed because the parties are discussing settlement, and extending the discovery period (along with all subsequent dates) will facilitate those discussions. If this extension is granted, the new dates would be as follows:

Discovery period to open:	November 2, 2003
Discovery period to close:	April 29, 2004
30-day testimony period for party in position of plaintiff to close:	July 27, 2004
30-day testimony period for party in opposition of defendant to close:	September 27, 2004
15-day rebuttal testimony period for plaintiff to close:	November 11, 2004

Opposer's counsel consented to this motion on November 18, 2003. Three copies are enclosed for the convenience of the Board.

Respectfully submitted,
