v.

MEDIQUEST THERAPEUTICS, INC.

Nancy L. Omelko, Interlocutory Attorney:

Opposition No. 91156981

On December 30, 2003, applicant filed a proposed amendment to its application Serial No. 78114947, without opposer's consent.

By the proposed amendment applicant seeks to change the identification of goods from "small molecule pharmaceuticals and chemicals for the detection and treatment of autoimmune diseases" to "small molecule pharmaceuticals and chemicals for use in autoimmune therapeutics "

The proposed amendment is neither a clarification or a limiting of the identification of goods, nor has it been consented to by opposer or served on opposer.¹ Accordingly, applicant's "motion to amend" the involved application is
