APPLICANT'S MOTION TO ENTER PROTECTIVE ORDER

Applicant moves that the Trademark Trial and Appeal Board enter the attached protective order (Exhibit 1). Applicant needs the protective order to prevent Opposer from DISCLOSING confidential information. The Rules specifically provide for entry of a protective order upon motion. See Rule 2.120(f). Opposer has sought a multitude of specifics on how Applicant markets and sells products associated with its mark. While Applicant disagrees that Opposer is entitled to such over broad discovery, See *CBS v. Morrow*, 708 F 2nd 1579, 218 USPQ2nd 198 (Fed. Cir. 1983); *Cunningham v. Laser Golf* 222 F 3rd. 943(Fed. Cir. 2000), assuming an accord can be reached concerning Applicant's Objections to the discovery, Applicant will need a protective order.

Respectfully submitted,

 James B. Conte
Attorney for Applicant
