THE WHITMORE MANUFACTURING
COMPANY

v.

LubeTrak.com, LLC.

Amy King, Paralegal Specialist

The parties motion to suspend and vacate default notice filed November 13, 2003 are noted. In view thereof, the Board's notice of default dated October 24, 2003 is set aside.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until April 22, 2004 subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting the time for applicant to file an answer or other response to the notice of opposition.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
