v.

ELECTROMED TECHNOLOGIES, L.L.C.
(DE Limited Liability Company)

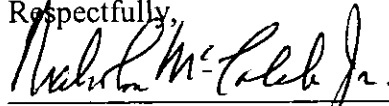

**SECOND AGREED MOTION FOR EXTENSION OF TIME FOR APPLICANT
TO ANSWER NOTICE OF OPPOSITION**

Applicant hereby moves for a further 30-day extension of time within which to answer the Notice of Opposition mailed September 5, 2003, to December 14, 2003. Counsel for Applicant and Opposer expect that they will settle the issues raised by the Notice of Opposition before December 14, 2003. A proposed settlement has passed between the parties, and it appears that no major hurdles remain to be overcome.

Because Applicant's extended time for filing its Answer has now elapsed, and to ensure that the parties have time to complete a settlement of this proceeding, they have agreed that it is appropriate for the Board to enter an order extending the period for Applicant to file its Answer by an additional 30 days, to December 14, 2003. Applicant's counsel, undersigned, affirms that

counsel for Opposer has authorized him to present this as an “agreed” motion.

Respectfully,
