Applicant's consented motion filed September 25, 2006 to extend discovery and trial dates is granted. Trademark Rule 2.127(a).

The discovery and trial dates are reset in accordance with applicant's motion.¹

¹ If the parties agree to another extension or suspension, they will be expected to report to the Board on the progress of discovery, or of any ongoing settlement negotiations.

Such report must include: a recitation of discovery taken to date, a statement of issues that have been resolved and issues that remain to be resolved, and a firm timetable for resolution.

Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.
