Bayer-Roche L.L.C

v.

Arbor International, Inc.

Andrew P. Baxley, Interlocutory Attorney:

Applicant's motion (filed November 9, 2003) to extend time to answer is unsigned and does not include proof of service upon opposer. See Trademark Rules 2.119(a) and (e). Applicant's motion (filed December 18, 2003) to extend time to answer does not include proof of service upon opposer.¹ See Trademark Rule 2.119(a). Accordingly, neither motion can be considered at this time.

Applicant is allowed until **twenty days** from the mailing date of this order to file with the Board a signed copy of its November 9, 2003 motion that includes proof of service upon opposer and proof of service of its December 18, 2003 motion upon opposer, failing which that motion will receive no consideration.

¹ Applicant is advised that proposed dates should not be included in an unconsented motion to extend. The better practice is to request an extension of a specific length to run from the mailing date of the Board's decision thereon. See TBMP Section 509.02.
