Opposition No. 91158299

INTERNATIONAL STAR REGISTRY  
OF ILLINOIS LTD.

v.

Tonya S. Vaughan

**Cindy B. Greenbaum, Attorney:**

Applicant's response to opposer's motion to consolidate does not indicate proof of service of a copy thereof on counsel for opposer. Applicant is allowed until THIRTY DAYS from the mailing date of this order to file proof of service of a copy of the motion on counsel for opposer, failing which the Board will give the response no further consideration. Strict compliance with Trademark Rule 2.119 is required in all further papers filed with the Board.

In addition, it appears that the Board's proceeding file is incomplete. Opposer's December 11, 2003 request for an extension of time references an underlying motion of which the Board has no record. Similarly, the Board has no record of opposer's motion to consolidate. Accordingly, the Board requests that each party file a copy of its respective motion with the Board within THIRTY DAYS of the mailing date

of this order. Said repeat filings should include proof that the Board received the original filing.

Dates remain as set in the institution order.
