Dear Director Jon Dudas and Commissioner Lynne Beresford,

In the Matter before the **Trademark Trial and Appeal Board's Decision on:**
Opposition No. 91158473 parent; (consolidated with Opp. no. 91158348)
Decision Mailed: January 25, 2006.

This Request: An Extension of time to commence judicial review.

Opposer in this matter respectfully requests an extension of time to commence filing an appeal or commence a civil action.

37 CFR 2.145 (e) Extensions of time to commence judicial review. The Director may extend the time for filing an appeal or commencing a civil action (1) for good cause shown if requested in writing before the expiration of the period for filing an appeal or commencing a civil action, or (2) upon written request after the expiration of the period for filing an appeal or commencing a civil action upon a showing that the failure to act was the result of excusable neglect.

Good cause exists because Opposer needs time to consult with a Trademark Attorney; and to attend to family members, namely his parents who have fragile health and serious medical issues and who have been in and out of the hospital.

The extension of time requested is for 6 months or until Sept. 24, 2006, or the maximum time allowable.

Respectfully submitted,

Daniel Mendoza
