EXXON MOBIL CORPORATION

v.

ImClone Systems Incorporated

**Denise M. DelGizzi, Paralegal Specialist**

The parties' October 25, 2006 stipulation to continue the suspension of the proceedings is granted.

Accordingly, proceedings herein are suspended until December 24, 2006, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting (1) the time for ImClone Systems to file a response to the motion to strike, (2) the time for Exxon Mobile Corporation to file an answer to the counterclaim, (3) the time for each party to respond to the other's written discovery, and (4) all testimony periods.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
