Opposition No. 91158542

REEMAY, INC.

v.

ATOFINA CHEMICALS, INC.

Frances S. Wolfson, Interlocutory Attorney:

On March 28, 2005, applicant filed a proposed amendment to its application Serial No. 78/234,453, with opposer's consent.

By the proposed amendment applicant seeks to change the identification of goods **from** "Chemicals for use in metal working fluids" **to** "Chemical additives for use by formulators of metal working fluids in the production of metal working fluids."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

If this resolves the dispute herein, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition

will go forward on the application as amended. See Trademark Rule 2.106(c).
