**STIPULATED REQUEST FOR EXTENSION OF TIME TO ANSWER  
OPPOSITION**

---

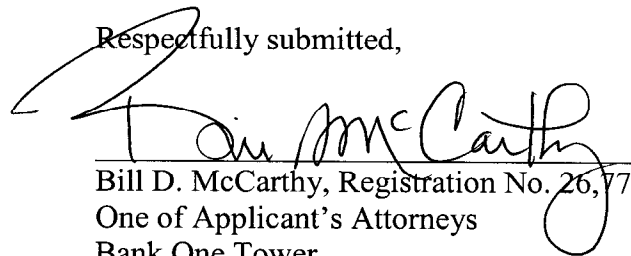

Applicant, Little Giant Pump Company, hereby requests an extension of 60 days, from June 1, 2004 in which to answer the opposition filed herein or to otherwise plead, pursuant to *37 C.F.R. 2.106(b)(2)(iv)*. Pursuant to this request, Applicant's answer will be due July 31, 2004.

A draft of a settlement agreement has been proffered and is being considered by the parties. This extension is required to facilitate the negotiation and execution of said settlement agreement being between Applicant and Opposer, and this request is not made for the purpose of delay, nor will it prejudice either party.

Applicant's attorney attempted to contact Opposer's counsel, Burton S. Ehrlich, by telephone on this date, May 28, 2004, to obtain his permission to state that he has no

objection to this requested extension. A voice mail message was left indicating that this request was being filed today in conformity to a May 17, 2004 fax message accompanying said proffered settlement agreement, and that this request would state that it is being made under stipulation of Mr. Ehrlich's approval. Further, the voicemail message asked to him to call this afternoon should he have any objection. The counsel for Applicant and Opposer have enjoyed, on behalf of their respective clients, a very congenial and cooperative relationship on the present matter, and the Applicant's counsel has a good faith belief that he has permission to represent that Mr. Ehrlich has no objection to the presently requested extension.

Respectfully submitted,
