v.

RESMARK EQUITY PARTNERS, LLC

Peter Cataldo, Administrative Trademark Judge:

On May 4, 2006, applicant filed a proposed amendment to its application Serial No. 76458995, with opposer's written consent.

By the proposed amendment applicant seeks to change the identification of services **from** "real estate and financial services, namely, providing investment and financial services related to real estate development" **to** "real estate and financial services, namely, providing investment and financial services related to real estate development, excluding financial investment services in the fields of utilities, non-residential real estate, mining, metal, oil and gas exploration, development and production."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer

consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

If this resolves the dispute herein, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. See Trademark Rule 2.106(c).
