Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Discovery is currently set to close on 02/10/2005. Frisetta Kunststoff GmbH requests that such date be extended for 90 days, or until 05/11/2005, and that all subsequent dates be reset accordingly. The grounds for this request are as follows:

- *Parties are unable to complete discovery/testimony during assigned period*
- *Parties are engaged in settlement discussions*
- *The parties have begun to review some possible options for a resolution and Defendant's counsel needs time to review the issues with her client.*

Frisetta Kunststoff GmbH has secured the express consent of all other parties to this proceeding for the extension requested herein.

Frisetta Kunststoff GmbH has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
