**M. Catherine Faint,
Interlocutory Attorney:**

Applicant's consented motion (filed November 15, 2010) to suspend proceedings to accommodate the parties' ongoing settlement negotiations is granted.¹

Proceedings herein are suspended until **February 14, 2011**, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

¹ However, no further extensions or suspensions will be granted in the absence of a detailed report reciting what progress the parties have made toward resolving this matter. Such report must include: a recitation of the issues that have been resolved, a recitation of the issues that remain to be resolved and, a firm timetable for resolution. Failing which, any future motions may not be approved, even though agreed to by the parties.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in applicant's motion.²

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.

² The Board notes it is unclear whether applicant has withdrawn its motion to compel discovery in light of the consent to respond to discovery requests noted in the motion. If proceedings resume and the parties have not settled this matter, counsel must contact the Interlocutory Attorney to request a teleconference on the outstanding motion.
