consolidated into Consolidated Opposition Proceeding No. 91/161,183 on March 7, 2007.

2. Applicant hereby amends Application Serial No. 76/975,297 to register the mark ORANGE.COM, by deleting "Insurance, namely, insurance administration, insurance agencies, insurance brokerage, insurance claims processing, insurance consultation, insurance actuarial services, insurance subrogation and salvage and; credit card and transaction services; provision of electronic funds transfer services on-line; financial services, namely venture capital financial services; provision of on-line valuation services on the fields of real estate and personal property; real estate affairs, namely brokerage, appraisal, acquisition, investment, mortgage brokerage, mortgage lending and real estate property management and consultation rendered in conjunction therewith; financial information services, namely providing stock exchange quotations and stocks and shares information; stocks and bonds brokerage; information and consulting services relating to insurance, financial affairs, monetary affairs, home and on-line banking, stocks and share information, stocks and bonds brokerage, provided on-line from a computer database or the Internet; betting services; payment of bills over the Internet" from the identification of services in International Class 36.

3. Applicant hereby further amends Application Serial No. 76/975,297 to register the mark ORANGE.COM, by adding the following language to the end of the identification of services in International Class 36: "providing extended warranties and insurance for telecommunications and computing

equipment and devices, telecommunication sand computing networks and systems, broadband and other Internet access services”.

4. It is respectfully submitted, the above amendments should be permitted because they limit and clarify the services originally listed in the application.

5. As amended, the services included in International Class 36 in Application Serial No. 76/975,297 now read:

Financing of telecommunications apparatus, systems and installations; charitable fund raising services, namely organizing charitable collections and fund raising activities; financial sponsorship in the areas of sports, cultural activities and the arts; providing extended warranties and insurance for telecommunications and computing equipment and devices, telecommunications and computing networks and systems, broadband and other Internet access services.

6. If the United States Patent and Trademark Office or Trademark Trial and Appeal Board do not approve any part of this Motion, then the

amendments by Applicant in Paragraphs 2 and 3 shall be deemed to be revoked.

Respectfully submitted,
