AMENDMENT AFTER PUBLICATION

Dear Sir/Madam:

Please substitute this amendment for amendment erroneously filed November 23, 2004 and replace it in its entirety with the following:

In Goods and Services, IC 025, following "Clothing....namely hats and caps," the addition of the phrase, "and not in the areas of health, fitness and nutrition." Thus, the description in Goods and Services in Class 025 should read as follows: "Clothing, namely shirts, pants, skirts, dresses; footwear and headgear, namely hats and caps, and not in the area of health, fitness, and nutrition."

Respectfully Submitted,
