Mailed: February 24, 2005

Opposition No. 91162226

Quick Technologies, Inc.

v.

SageMaker, Inc.

Clara Vela, Paralegal Specialist

Answer was due in this case on November 2, 2004.

On November 5, 2004, opposer filed a motion for default judgment based on applicant's failure to file an answer. However, the motion does not contain a certificate of service indicating that a copy thereof was served on applicant. See Trademark Rule 2.119. A copy of the motion is attached to this order. Opposer's motion therefore has been given no consideration.

Inasmuch as it appears that no answer has been filed, nor has applicant filed a motion to extend its time to answer, notice of default is hereby entered against applicant under Fed. R. Civ. P. 55(a).

Applicant is allowed until thirty days from the mailing date of this order to show cause why judgment by default

should not be entered against applicant in accordance with
Fed. R. Civ. P. 55(b).
