Opposition No. 91162503

Commissioner of Trademarks
Attn: TTAB
P.O. Box 1451
Alexandria, VA 22313

MOTION ON CONSENT TO CONTINUE SUSPENSION OF PROCEEDINGS

Opposer, with the consent of applicant, hereby moves to continue suspension of the above-captioned proceedings for six (6) months until **May 19, 2008**. Michael Elbein, counsel for Applicant, consented to this motion, which is requested to allow the parties to continue to pursue settlement discussions.

Progress has been made toward a settlement of this matter. Since the last continuance, opposer provided applicant with comments on a revised settlement agreement. The additional time is requested to allow the parties to discuss opposer's comments on the revised settlement agreement, and for the parties to continue to explore a settlement of this

matter. If accepted, the settlement agreement would resolve this opposition and a related opposition.

If the Board grants this motion, in the event that the matter is taken out of suspense, the parties request that six months of discovery be allowed and that the discovery cut off be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods should be reset accordingly.
