AMENDMENT AFTER PUBLICATION

Seattle, Washington 98101

May 26, 2005

TO THE COMMISSIONER FOR TRADEMARKS
TRADEMARK TRIAL AND APPEAL BOARD:

This application Serial No. 76/010,696 which is the subject of this opposition proceeding, was published on July 20, 2004, and thereafter an opposition was filed by Sierra Entertainment, Inc., Opposition No. 91163015.

Sierra Entertainment, Inc. and applicant, Sierra Systems Group Inc., have now agreed that in return for applicant's amending the goods description in Class 9 of application Serial No. 76/010,696 by addition of the term "non-consumer" at the beginning of the Class 9 description, the opposition will be withdrawn by Sierra Entertainment, Inc.

Applicant Sierra Systems Group Inc. requests that the goods description in Class 9 of its application be amended to read as follows:

Class 9 - For non-consumer computer software for managing information in the fields of health care, law enforcement, judicial systems, financial services, insurance and government.

This amendment is being filed with the consent of Sierra Entertainment, Inc., and a copy of this amendment is being forwarded to opposer's counsel, Mr. Rod A. Rigole, at

1 Vivendi Universal Games Inc. This amendment narrows the description of the goods in
2 Class 9 as earlier published and thus does not require republication.

3 Applicant requests that the amendment to the goods description in Class 9 be entered,
4 the opposition dismissed upon opposer's filing of a request to withdraw it, and application
5 Serial No. 76/010,696 be passed to issue.

6 Respectfully submitted,
