v.

International, Inc.

Andrew P. Baxley, Interlocutory Attorney:

Opposer's consented motion (filed February 15, 2007) to suspend this case for further settlement negotiations. Proceedings herein are suspended until May 20, 2007, subject to either party's right to request resumption at any time. See Trademark Rule 2.117(c); TBMP Section 510.03(b).

If there is no word from the parties concerning the status of their settlement negotiations by May 20, 2007, proceedings herein resume automatically without further action by the Board on May 21, 2007 to the extent that opposer will be allowed until June 20, 2007 to show good and sufficient cause why this proceeding should not be dismissed with prejudice under Trademark Rule 2.132(b) on the ground that opposer has shown no right to relief. See TBMP Section 534 (2d ed. rev. 2004).
