Peter Cataldo, Attorney:

Proceedings Suspended

Proceedings herein are suspended pending disposition of the opposer's/petitioner's motion for judgment on the pleadings or, in the alternative, for a more definite statement, filed on March 17, 2006. Any paper filed during the pendency of this motion which is not relevant thereto will be given no consideration. See Trademark Rule 2.127(d).

Stipulated Protective Order

The stipulated protective agreement filed on March 21, 2006 is noted. The parties are referred, as appropriate, to TBMP §§412.03 (Signature of Protective Order), 412.04 (Filing Confidential Materials With Board), 412.05 (Handling

of Confidential Materials by Board) (2d ed. rev. 2004) and the authorities cited therein.

The parties are advised that only confidential or trade secret information should be filed pursuant to a stipulated protective agreement. Such an agreement may not be used as a means of circumventing paragraphs (d) and (e) of Trademark Rule 2.27, which provide, in essence, that the file of a published application or issued registration, and all proceedings relating thereto, should otherwise be available for public inspection.
