v.

Henderson, Gil

Cheryl Goodman, Interlocutory Attorney:

On October 14, 2008, applicant's attorney filed a request to withdraw as applicant's counsel of record in this case¹ which the Board found was not in compliance with Trademark Rules 2.19(b) and Patent and Trademark Rule 10.40. The Board allowed applicant's counsel time to file a request in compliance with the Trademark Rules, and on October 20, 2008, counsel filed its amended petition to withdraw as counsel.

Counsel advises that "client is unable to retain correspondent attorney as counsel going forward . . . and has instructed counsel to withdraw." Counsel also advises that all papers and property have been returned to the client.

The request to withdraw as counsel is in compliance with the requirements of Trademark Rule 2.19(b) and Patent and Trademark Rule 10.40, and is accordingly granted. The Slotkin

NEWS FROM THE TTAB:

The USPTO published a notice of final rulemaking in the Federal Register on August 1, 2007, at 72 F.R. 42242. By this notice, various rules governing Trademark Trial and Appeal Board inter partes proceedings are amended. Certain amendments have an effective date of August 31, 2007, while most have an effective date of November 1, 2007. For further information, the parties are referred to a reprint of the final rule and a chart summarizing the affected rules, their changes, and effective dates, both viewable on the USPTO website via these web addresses:

http://www.uspto.gov/web/offices/com/sol/notices/72fr42242_FinalRuleChart.pdf

By one rule change effective August 31, 2007, the Board's standard protective order is made applicable to all TTAB inter partes cases, whether already pending or commenced on or after that date. However, as explained in the final rule and chart, this change will not affect any case in which any protective order has already been approved or imposed by the Board. Further, as explained in the final rule, parties are free to agree to a substitute protective order or to supplement or amend the standard order even after August 31, 2007, subject to Board approval. The standard protective order can be viewed using the following web address:
