Opposition No. 91164950

C.A.T. Tobacco Corporation

v.

Anncas, Inc.

Peter Cataldo, Administrative Trademark Judge:

Opposer's consented motion filed October 3, 2006, and amended consented motion filed October 9, 2006, to extend the time for opposer to respond to applicant's motion for summary judgment is granted. See Trademark Rule 2.127(a).

Accordingly, opposer's response to applicant's motion for summary judgment is due on October 12, 2006, and opposer's response in opposition to applicant's summary judgment motion, filed on that date, is deemed timely.

In view of the Board's delay in coming to a determination in this matter, applicant's reply brief, if filed, is due within fifteen days from the mailing date of this order.

Opposer has also requested a consented extension of time to respond to the Board's September 5, 2006 order

regarding accelerated determination of this proceeding.

Opposer's consented motion is granted to the extent that that the parties are allowed until seven (7) days after the expiration of applicant's time in which to file a reply brief in which to stipulate, if they so choose, that the Board may come to a final determination on this case on the parties' summary judgment motions and evidence, in lieu of trial.
