INTERNATIONAL SAVE THE

v.

National CASA Association

LaTricia Harrison, LEGAL ASSISTANT;

On May 9, 2005, opposer filed opposition to applications 78/355929 and 78/355917. On May 10, 2005, the Board instituted the opposition, but inadvertently failed to reference one of the two applications, i.e., the order only referenced application Serial No. 78/355929. Accordingly, the Board's May 10th order is modified to the extent that Board records have been updated to reflect the opposer's opposition to the two applications referenced above.

To prevent any prejudice to applicant, answer is due **thirty days** from the mailing date of this order. Discovery and trial dates remain as set in Board's May 10, 2005 institution order.
