CONSENTED MOTION TO EXTEND TESTIMONY PERIODS

The parties, HRLS LLC and LIQUID LIVING LLC, by their counsel, hereby move the testimony periods and trial dates be extended one (1) month and reset as follows:

Proceedings Resume:	08/16/2009
Discovery Period to Close:	CLOSED
30-day testimony period for party in position of plaintiff to close:	09/15/2009
30-day testimony period for party in position of defendant to close:	11/14/2009
Fifteen-day rebuttal period to close:	12/28/2009

The parties have been engaged in settlement negotiations. The parties submitted a consent agreement to the Examiner which was not accepted. The parties then entered into discussions as to whether or not a concurrent use proceeding should be instituted. This issue was not resolved, and the parties moved on to discuss a settlement based on a license. The parties are now considering the license proposal, and expect to resolve this matter by the end of August 2009. The latest license proposal was forwarded to Applicant's counsel on July 13, 2009.

Applicant, LIQUID LIVING LLC, by its attorney of record, Bryan Schwartz of Benesch Friedlander Copeland & Aronoff LLP, consented to this extension via an email message, to Opposer's undersigned counsel, dated July 13, 2009.

For the foregoing reasons, this motion should be granted.
