Opposition No. 91165704

HRLS LLC

v.

Liquid Living LLC

On February 10, 2010, opposer filed a motion to suspend proceedings pending action by the Examining Attorney regarding opposer's application Serial No. 78705095. The Examining Attorney approved that application for publication on February 23, 2010.

On February 19, 2010, the parties filed applicant's proposed amendment to its application Serial No. 78454768, with opposer's consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the recitation of services **from** "Bar and restaurant" **to** "bar services featuring live entertainment and a Western-themed decor" in International Class 43.

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer

consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingencies in opposer's withdrawal having now been met, the opposition is dismissed in accordance with the agreement between the parties.
