**CONSENTED REQUEST THAT DISCOVERY AND TRIAL DATES BE RESET**

It is hereby stipulated and agreed between the parties, this Honorable Board consenting, that the discovery and trial dates in the above-referenced case be reset, subject to the restrictions below, as follows:

Discovery period to close:	May 27, 2006
30-day testimony period for party in position of plaintiff to close:	August 25, 2006
30-day testimony period for party in position of defendant to close:	October 24, 2006

15-day rebuttal testimony period for  
plaintiff to close:

December 8, 2006

The parties will work together to reschedule depositions already noticed at a mutually convenient time. The parties agree that they are each foreclosed from conducting additional discovery except as reasonably required to follow up on information newly-disclosed during the already-noticed discovery depositions. This does not bar either party from those actions necessary to resolve discovery issues/disputes regarding already-served written discovery or already-noticed depositions. Nothing herein shall prohibit either side from supplementing written responses and/or document production in response to written discovery already served. Howard Michael, counsel for Opposer, and Brian Kasell, counsel for Applicant, agreed to this consented motion on February 24, 2006, via email. A copy of this request is being served on counsel for Applicant as reflected in the attached Certificate of Service.

Respectfully submitted,

Date: February 24, 2006
