Ecolab Inc.

v.

EcoQuest International, Inc.

**Karyn K. Ryan, Interlocutory Attorney
Trademark Trial and Appeal Board:**

On November 11, 2005, applicant filed a proposed amendment to its application Serial No. 78224246, with opposer's consent.

By the proposed amendment, applicant seeks to change the recitation of services in International Class 35 from:

"distributorship services featuring indoor air and water purification appliances"

to the following:

"distributorship services featuring indoor air and water purification appliances for household and residential use."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

Opposer's November 30, 2005 withdrawal of opposition is noted.

In view thereof and because there is no answer of record, the opposition is dismissed without prejudice. See Trademark Rule 2.106(c).
